

Myrrha by Padró & Co. Rojo

Distinctly Authentic

Our Myrrha Rojo offers a special contrast of delicate sweetness with a distinctive and slightly tangy taste.

A fusion of citrus fruits, nuts, oriental spices and mountain herbs is lovingly expressed in its aromas.

TASTING NOTE

Soft caramel in colour with shades of amber.

Balsamic notes, aniseed and mountain herbs appear in the aromas. When shaken, aromas of spices emerge, such as vanilla and cloves, acquired during the resting period in wood.

Caramel-like essence with candied fruits.

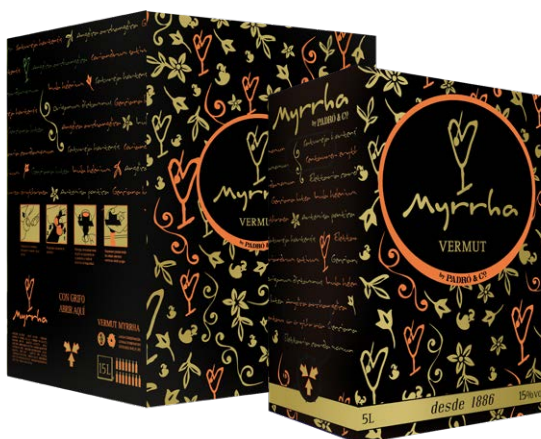

In the mouth, initially warm and enveloping giving way to a blend of refreshing and elegant tanginess and a soft and velvety sweetness.

HOW TO DRINK

Myrrha Rojo should be served very cold in a wide-rimmed glass with perhaps a twist of orange.
